

The Ducks are coming!

Yes, down Afon Solfach on Easter Monday (2 April), starting at 3pm. Who will win the honour of the 1st, 2nd and 3rd ducks to be caught by Dewi the Great Solva Duck Catcher?

It's fun; it's exciting; a few people might get wet and some lucky people will win cash prizes of: 1st £10; 2nd £5; 3rd £2.50. But for this to work duck tickets have to be bought.

Available now from Bay View Stores, Window on Wales, Harbour Inn, The Ship and Royal George. Don't delay or your favourite duck name may be gone. Buying tickets helps support the Hall.

New Daffodil Festival near Llandeloy

The Daisybus Gardens of Wellbeing will be opening on 1 April for a Daffodil Festival. Visitors will see around 50 varieties of narcissi and be able to order ones they like for planting in autumn, or simply enjoy the display and stop for a cuppa and homemade cake in the tearoom.

Gardener Sarah Wint says "The origin of daffodil as the common name for narcissi is unknown but as the daffodil is a Welsh emblem surely a good suggestion is that it comes from the Welsh "Dafydd" our own patron saint".

There will also be a poetry competition on the theme "A Host of Golden Daffodils & Other Thoughts on Spring". Entrance is £2.50 Children Free. Gardens also open Thursday - Monday, April - September.

St Davids & Solva Art Group

Mid February saw the group have a great day printmaking with Glen Ibbotson and Carol King.

The session started with a slide presentation explaining the difference between dry-point and mono-prints. Two groups were formed with each attempting one of the techniques and after lunch they swapped over. Everyone enjoyed the day and produced some exciting works of art. Thank you Glen and Carol.

Solva WI

The speaker at our February meeting was Stefanja Gardener, a holistic teacher who explained how good it is for us to be able to sit quietly and de-stress, giving us a few personal examples of her own. She managed to get all 20 ladies present to be silent for quite some time!

The traditional WI Pancake Coffee Morning was organised and raised approximately £100 for the Mosaic Steps Project.

Our next meeting is on Thursday 8 March when the speaker will be Sarah Beynon with a talk entitled "The Bugs March On". Visitors are most welcome.

Clwb Solfach / Solva Luncheon Club

Luncheon Club for the over 60s is held most Wednesdays in Solva Memorial Hall at 12.30 pm, cost £4.

We would be pleased to welcome some new members.

For further details please contact Jane Pascoe on 01437 721544.

Fundraising for Solva Fireworks Display 2018

Solva Community Council's firework committee is celebrating after having passed the £1,800 mark in money raised for this year's event.

This sum means the 2018 event will definitely go ahead; however, organiser Community Councillor John Price is still hoping for more donations to ensure an even more spectacular display.

John said: "The money we have now would do a nice little display but the more funds we bring in means more fireworks – this will result in an even more spectacular display than in past years".

Fundraising will continue to support the 2018 display.

The AGM of the Parc y Capel committee is to be held on Monday 12 March 2018 at 6 pm
All welcome. The meeting is to be held upstairs at the Memorial hall.

There will be a short committee meeting following the AGM

Pancake Day fun!

On Tuesday 13 February the PTA very kindly organised a wonderful Pancake Day event at the school. All pupils were treated to pancakes with their favourite toppings.

Many thanks to all who organised this lovely event.

Oriel y Parc - Main Gallery exhibition

William Stott, Le Passeur (The Ferryman): Reflections on a landscape

24 February – 2 September Open daily 10 am-4 pm

William Stott (1857-1900) was a leading figure among a group of British artists influenced by French naturalism in the late 19th century. Le Passeur (The Ferryman) is his masterpiece, and influenced other British artists who worked in rural communities.

The painting is shown alongside works from Amgueddfa Cymru-National Museum Wales, which have been chosen to explore some of the hidden meanings behind images of rural life and landscape. This exhibition is part of a tour of UK galleries in partnership with Tate and also includes works by J.M.W. Turner, Augustus John and Graham Sutherland.

The SOLVA Heritage Society

WANTED: Researchers for a Wednesday evening session at the Haverfordwest Records Office in March. As a group, we would have the undivided support of a member of staff, access to computers and records kept on site and on-line.

The project is to find out as much as possible about Solva and its people during WW1 to present an exhibition later in the year as a contribution to the Commemorative events in the Village. We have a list of all those who took an active part in the services. We are hoping that local families may have information which would be of special value to our efforts. Please contact brendalloydndt@btinternet.com / 07739158024, or leave your contact details on the list in the library section of the Memorial Hall.

The Great Solva Mosaic Steps Project

PCC will be starting the repair and tiling of the steps soon. Let's hope the good weather holds out. The railings have been ordered and will be installed soon after, followed by the mosaics. There will be a meeting on Wednesday 21 March at 6 pm in the Memorial Hall for a catch up and to canvass ideas for future mosaic projects. Please come this meeting if you attended the mosaic classes last November/ December or are interested in joining our rapidly growing mosaic art community. For further information please contact Sue Denman on 07817 410782 or Penny Dafforn on 01437 720901.

Stop Messing up our village - The Poo Report

This month's top sticky spot is the Upper Solva children's play park. Somebody is systematically using our kids' play area as a dog toilet and that is really not on. All mess has been removed and regular checks of the area are being made.

Whoever you are, STOP IT! Elsewhere in Solva a large dog, unaffectionately known as the 'Patchin elephant', seems to have moved down to the quay side area to leave its mounds. The picnic area across from Harbour House also remains sticky. Not a great place to eat your sandwiches unless you enjoy the ambience of a litter tray. A big thank you to all those people, many of them dog walkers, who already clean up after others. Without your efforts parts of Solva would be very unpleasant.

To the few of you who don't clean up after your dogs, shame on you!

PCC - Policy for Operation of Council Dog Control Services (abridged)

For the immediate future the priority work for the 1.8 FTE Dog Wardens resource will be to deal with the following functions:

- Stray/dangerous dogs (Statutory)
- Community Protection Notices (CPN's) for responsible dog ownership (Statutory)
- Micro-chipping – non-statutory, however, all part of proactive work.

The remaining services that have been previously undertaken, such as Dog Fouling (non-statutory), Beach Bye laws (non-statutory) and Event & Educational Visits (non-statutory) will no longer be delivered. Clear demand management will be required - Dog fouling and beach bye law issues will be passed back to the relevant Town and Community Council for them to consider what steps they are able to take.

NEWS

On 26 January 2018, Sue Hall - Commissioning Project Co-ordinator, Powys County Council - came to visit. She had been looking to find similar projects from which to learn and share experiences and best practice, particularly around core business and monitoring and evaluation, and was delighted to find out about Solva Care. She had recently started working at Powys County Council within adult social care and is currently supporting the development of Home Support Services in three towns in Powys.

The purpose of the project is to pilot a home support/rapid response social care service to citizens who have additional needs that are not already met through existing services and/or need help to overcome short term crisis. The pilots are based on an existing model operating in Rhayader, called Rhayader Home Support.

We also met with a local action group from Conwy on 1 February 2018.

They had come across Solva Care after reading "Rural Wales – Time to Meet the Challenge 2025 Report" by Eluned Morgan and also conversations with Bangor University both of which quote us a good

example of community social care. They were very interested in hearing more about how we set up Solva Care, as tackling isolation, loneliness as well as Dementia Friendly projects is something their Local Action Group are keen to look into and explore potential projects they could run in Conwy.

Solva Senior Group is still going strong – Fridays in Solva Memorial Hall 2-4 pm. Music, craft etc. All welcome!

PCC is undertaking a review of wellbeing in communities and how they can best help. Sue Denman and Fran Barker met with Councillors Simon Hancock and Joshua Beynon, on 6 February at County Hall, to discuss

Solva Care and how the Council could help with access to funds and other forms of support. Solva Care is seen in Wales as a good example of linking research with practice. Sue Denman presented how we do this with the support of our community at the annual conference of the Wales School of Social Care Research in Cardiff on 14 February.

St Davids Surgery - New GP

A new GP Partner will join Dr Kauschinger – Dr Stephen Riley. Dr Riley has worked as a GP in Nottingham for many years and is a very experienced family doctor. We look forward to welcoming him to the Practice.

We would like to thank all our patients for their understanding during what has been a difficult period for the Practice. We look forward to a more settled future.

Are you a Carer?

At St Davids Surgery, we want to help Carers get the appropriate support, and we encourage Carers to identify themselves to the Surgery and complete a Carer Registration Form. Kim Phillips is our Carer Lead and she can give you further advice and information about a range of support available locally to Carers. Please call Kim on 01437 720303.

Solva Surgery retirement

Jane Chinn who has been our Practice Nurse for 27 years, will be retiring from Solva Surgery at the end of March. She was first appointed by Dr. Gillam and then formed the team with Lucy and Alison at Maes yr Eglwys Solva Surgery. Jane is a caring and compassionate professional nurse, not only to our patients but she has always been a great support to her colleagues, doctors and staff. Without a doubt, she will be missed enormously by our staff and of course by our patients. We all wish her a very long and happy retirement!

Edge Festival News

Everything is coming together for the 2018 Festival. We have some great bands booked -The Wild Boys and the amazing One Step Behind (a Madness tribute band) being just two of them. We will also be supporting local musicians like Raul and Roy Jones. Our headline poet is Robert Minhinnick who was shortlisted for the prestigious TS Eliot award this year. We also have the usual eclectic mix of sports, marine exploration, cooking, children's events and magic. The Swim to the Edge now has an international profile and the 400 places have nearly been sold. Food will be provided by the excellent Mamgu's Welshcakes - who will soon be opening their Solva cafe on Main Street, X-ray Cafe and others. Once again the Solva community has been supportive of the festival fundraising: we raised over £400 at the Burns Dinner, organised with Caerhys Organic Farm. We hope you will support our next event — the ever popular Six Nations Dinner where we celebrate the end of the Six-Nations tournament. This takes place in The Memorial Hall on Saturday 24 March and will take the form of a super dinner of six nations' food with a mind-boggling rugby quiz-game. It's always great fun so contact Gill on 07971122963 or Josh in the Harbour Inn to buy a £20 ticket.

We are also running a trip to Ffos Las Racecourse on 15 April. This will cost £35 to include the cost of the bus and entry into the racecourse. It promises to be a fun day out so join us if you like a flutter, or even if you don't. Over the three years the festival has taken place we have raised over £13000 for the local community, at a time of cuts and austerity. We hope that this has helped many organisations to survive and perhaps thrive.

Solva Rowing and Watersports Club

The club rowing season kicks off on Thursday 29 March at 6 pm from Solva Quay, then every Thursday usually until October.

Everyone is welcome, we offer two free taster sessions if you haven't rowed before or rowed for a long time but would like to give it a go. This gives beginners a chance to row before having to commit to join the club. Early bird membership is also now available, £5 off all membership prices if you join before 31 May. You can download a form here <http://solva.co.uk/srwc/srwcmem18.pdf>

We have our AGM on Monday 19 March 8 pm at the Royal George followed by a committee meeting at 8.30 pm. Anyone is welcome to come along, we are always looking for new committee members to bring new ideas and offer help and support for the club.

We are pleased to announce that, after a successful race last year, the Welsh Sea Rowing Association would like us once again to hold the Ramsey Island Race. This is a challenge race that is part of the WSRA rowing calendar and involves an 8 mile row through the legendary Ramsey Sound. 12 clubs took part last year and it was a fantastic day with some exceptional rowing. The winners were Solva Men's Team Ben Phillips, Craig Young, Mark Price and Richard Lewis, coxed by Robert Richards. They completed the race in an impressive 1 hr 11 mins. We hope they will be back this year to defend their title. The race will take place on 28 July 4 pm, posters will be on display nearer the time.

SBOA - Lift in Dates: Tuesday 3 April; Reserve day: Wednesday 4 April;

Please contact the Harbour Master if you have any special requirements.

Please remember to include with your fees due by the AGM on the 3 March, page 2 of your calling papers confirming that the details are correct and a copy of your boat insurance with 3rd party cover of at least £3 million for all boats used. Stickers will be issued only after receipt of these documents.
