Shalom House

We would like to thank everyone who helped complete the Coast Path Challenge in July & August. The whole 186 miles has been completed and we're busy adding up the total raised. It is well over the modest £500 initially aimed for - more like £2000! So, **THANK YOU!**

Our next fundraising event is on Saturday 8 September – we are hosting OPEN GARDEN at Dyffryn Fernant, near Fishguard SA65 9SP. This gem of a garden is a real treat and Christina has kindly opened for Shalom House. Entrance tickets are £7.00 and can be bought in advance from Shalom House or Shalom Shop or on the day at the entrance. The gardens will open from 12- 6 pm and afternoon tea and cakes will be available from Julie and her helpers. In October - please keep Saturday 13 free for our Welsh Themed Afternoon Tea. Advance tickets will be available soon at £25.00. We have some fantastic treats in store. More next month.

The FEIF youth camp and cup saw Cristina Edwards represent GB in Sweden, along with 80 other young riders between 13-17 yrs old from 14 countries. Cristina enjoyed a week of hard training, lots of laughter and made some new friends. They were put into international teams of 6 to compete earning points for their teams depending on their placing in each discipline. Cristina came 6th in the flag race. She is now looking forward to competing in the British Championships and the America Cup next year.

Ysgol Solfach from the School Governors

It was wonderful to see so many people, community members, staff and pupils past and present at the celebration event in Ysgol Solfach on 14 July, which celebrated the end of an amazing era in the life of the school. As well as fun activities such as inflatables, football darts, lucky dips and ice cream there was the opportunity for everyone to have a look around the school and reminisce, particularly when they reached the amazing display of old photos and artefacts in the hall. It was lovely to hear so many exclamations as old photos were found, hairstyles and fashion of yesteryear were reflected on and former pupils, colleagues and friends were reunited. As I reflect on my 25 year involvement with Ysgol Solfach, initially as a staff member, then as a volunteer, moving onto a community member, parent and latterly Governor, I realise how many special memories, milestones and achievements it has held for me in all of my roles but more importantly in the lives of all pupils who have passed through its doors. There have been highs and lows, ups and downs (normally attributed to visits from Estyn!) but the wealth of memories and experiences that each pupil has accessed has been thanks to the hard work and commitment of all staff, volunteers and governors.

So as the doors closed on Ysgol Solfach at the end of July there were some tears shed but also a lot of happiness for all the things that have been and some excitement at the new beginnings as part of Ysgol Penrhyn Dewi. As Chair of Governors I would like to thank everyone who has contributed to the success and achievements of Ysgol Solfach, in particular the hardworking and committed staff and the enthusiastic pupils. Diolch, Heidi Holland.

Get your NHS flu jab!

Many people think that flu is just a bad cold, but it isn't. Becoming ill with flu can lead to serious complications if you're an older person, or if you have certain chronic conditions – it can develop into bronchitis or pneumonia, which could lead to a stay in hospital or even death in some cases. Flu spreads easily – flu viruses can survive as particles in the air, or on surfaces such as door handles for several hours. So one person with flu can infect many others. The Department of Health recommends flu vaccination if you are:

- Pregnant
- Aged 65 or over
- A person with diabetes
- A person with a BMI of 40 or over

Or if you have a long-term condition of the:

- Lungs, e.g. asthma or COPD
- Heart
- Brain or nervous system
- Kidneys
- Liver
- Immune system
- Spleen

If you're in one of the 'at risk' groups listed above, don't underestimate flu. The most effective way to protect you and your family is to have a flu jab.

Both St David's and Solva Surgeries are running flu clinics from September, before the viruses start to circulate. If you are eligible for an NHS flu jab please phone for an appointment: St Davids Surgery 01437 720303 or Solva Surgery 01437 721306.

Logo Competition - The new SCC logo design is drawing to a close. Please send your submission(s) labelled with your name, email address and telephone number to Bruce Payne (SCC Clerk) either by post (c/o Bay View Stores) or scanned and emailed to brucepayne241@gmail.com by Mon 3 Sept. Solva Heritage Society - "THEN and NOW" evening -Thursday 16

August, found a goodly number of local history enthusiasts gathered in the Memorial Hall to review the earlier photographs, shown by Grace Davies in the "Solva: 100 years Ago" talk, alongside the modern. Many similarities and differences were marvelled at, new facts revealed and tales told. Also viewed were the stories of two local families linking the ancestors of 1918 with residents of Solva today. Very sobering in parts but also uplifting. Future events: 31 Aug, 1 & 2 Sept: "The story of YPRES" and 28,29,30 Sept: "The story of the SOMME". Both at St Aidans Church.

The **St Davids & Solva Art Group's Summer Exhibition** which closed last week, was a great success with over 150 originals sold. Lucky winners of the raffle prizes were: 1st Prize Howard Jones Watercolour to Mr P Knight, Sheffield: 2nd Prize of Inktense Travel paints to Mrs E Cotton, St Davids: 3rd Prize of Atelier Acrylic Paints to Mrs J Moore, Worcester. **Donations** - We will also be making our annual donations to local groups and associations, so please let us know ASAP! Please email Maggie Humble with your request to davidandmaggiehumble@talktalk.net

New post

Following the success of our application for funding from the EU LEADER Programme, which funds new initiatives, we have been able to create a part time post of 16 hours a week, fixed term, for two years. Following interviews of applicants, **Lesley Robertson-Steel** was appointed. The post will include working on a preventative health care programme, supporting people who may consider the use of Direct payments as a means of getting care more suited to their need and to liaise with carers – both domiciliary and private.

Friday Club will resume on 14 September and continue until 14 December. The 5 October session will be at 7 pm in the evening session featuring Ann Hughes 'Singing for Fun' choirs to raise funds for Cystic Fibrosis and Solva Care. There will also be readings of poetry from Solva Care members. Our activities next term will include music: Country and Western & Ukulele along with craft, reminiscing, gentle movement, a beetle drive etc. On 9 November MamGu's will be demonstrating and helping us make our own Welsh cakes. We have a special Christmas session on 14 December with St Lucia film as well as the Cathedral Hand Bells. You are welcome to come along for fun, companionship, and entertainment!

We are applying for funding from the Big Lottery and it would be helpful to have expressions of support from members of the community. We have already done two surveys approaching local groups and societies for a response. If anyone would like to take part as an individual, giving an honest opinion - warts and all - about what they think of Solva Care, what we do, what else we could do and how we might improve, we would be glad to hear from you. Please email us or write to Solva Care, c/o Bruce Payne, Mount Farm, Solva SA62 6XL by 14 September.

Congratulations to John Charles the Postman who has just celebrated 50 years "in the job". He was born and brought up in Solva and much of his working life has been spent delivering mail in this area.

A New Traffic Mirror at the junction of the High Street and Glanhafan has been installed and a clear view down the High Street can be observed from Glanhafan. There is also a traffic mirror on the front of the Memorial Hall to aid vehicles approaching the High Street from Panteg Lane.

Edge 18 was very more-ish

The fourth Edge Festival turned out to be the most successful ever.

More children played on the bouncy castles and more plucky standup boarders tried to learn a new skill. We had a greater range of activities to watch or participate in, with a professional dance troupe making an appearance. We showed a film for the first time since Under Milkwood

was shown at our very first festival. The music events were so well attended that the gates had to be shut on Saturday night. More people attended our literature events. More swimmers took part in The Swim to the Edge and for the first time a beach start was undertaken which proved to be popular with swimmers and spectators alike. We had more people through the gate and more money was taken. The total profit on the festival was £20,000. Reports from most local businesses have shown a peak in trade which lasted beyond the weekend. The survey, which is currently running with Survey Monkey, a link is on the Edge Festival Face Book site, shows that festival goers took the opportunity not only to visit the shops of Solva but also venture further afield to Newgale and St Davids. The Festival is good for the whole of the north peninsular. Pembrokeshire County Council licensing inspectors arrived on the Saturday and were happy with all aspects of the organisation, indeed one of them attended with her children the following day. The age range that we appealed to, in visitors to the site, was three weeks to 99 years. We nearly organised a moto-mobility scooters race as people with different abilities were also enjoying the weekend. Probably one of the happiest people was Chloe Jane Moore who scooped the £1000 first prize in the raffle (congratulations to her) but as we had more prizes than any other year, there were many lucky punters. In recognition of all the hard work put in by our voluntary staff, yes, you guessed it, there were more than ever with nearly 100 people giving of their time and energy for no financial reward, we are putting on the Thank You Barbecue on 7 September at 7.00 pm in the Solva Football club. The funding of this event is by a special donation and does not impact on the overall profit reported. So we look forward to seeing you volunteers there.

Applications for grant aid

On 2 October the Edge Festival will be considering applications for funding from local groups and charities. The committee will also consider applications for grant aid to individuals who are seeking help with career opportunities or who are seeking life enhancing experiences. If you represent a group that needs some financial help or you are an individual seeking a bursary, please email ifor.thomas@gmail.com before the end of September. Make sure your application for your organisation outlines how the grant will benefit the community, or a sector of the community. For the bursary application make sure you mention how the grant will really benefit you in your career path, or how the experience you are seeking will enhance your life chances.

Solva Boat Owners Association News:
