

Solva Memorial Hall Front Hall

The front hall offers a small space ideal for around 24 seated guests. It normally has three banks of tables seating 8 around each and will be set up in this manner for your hire. In the corner is a small lending Library used by the Coffee Morning group and this cannot be removed. There is space within the hall layout for wheelchair access and both main entrance and toilets are also wheelchair accessible. Included in the hire of the front hall is the Kitchen, which is conveniently linked to the front hall by a serving hatch.
