

Solva Memorial Hall Main Hall

The Solva Memorial Main Hall offers facilities for:

- Community events & meetings
- Concerts & plays
- Fashion shows
- Art & craft exhibitions
- Sales & auctions
- Private parties including birthdays and weddings.

The Main Hall measures 18 x 10 metres with a stage 65cm high x 5 metres wide x 4 metres deep. The stage is a permanent fixture and cannot be reduced. There may be the option of extending the stage for certain events but it is time consuming and will incur additional costs. There is a basic sound system (PA) available for hire at additional cost.

This space seats approximately 90, either concert-style or for dining. We have 100 comfortable dark blue chairs. We have 18 fold away tables, (8 large and 10 small).

The Hall has a Public Entertainment Licence which includes performance of music, drama and dancing for up to 140 persons. The floor is sprung and is suitable for dancing.

A Temporary Event Notice from Pembrokeshire County Council is needed for a bar selling alcohol. (Please note at least 30 days notice is required).

The bi-fold partition separates the Main Hall from Front Hall, and is considerably sound proof.

Behind the stage is a changing room and toilet facilities. This room cannot be locked and the storage of any personal belongings is at the owners risk.

Toilets including disabled facilities are accessible from both the Main Hall and Front Hall.

Heating by electric storage radiators is included in the rental cost, however, during the summer months this may not apply. Extra heating from wall radiators is available, but is charged through meters (£1 coins). The meter for the Main Hall is found by the front doors in the trip-switch cupboard.

Further information can be found on the booking form under terms and conditions.
