

Solva Memorial Hal Toilets

We recognise that when hiring the hall you also need accessible, clean toilet facilities.

We have one dedicated disabled toilet with a low sink, soap dispenser, hand towels and a baby changing mat.

We have one gents toilet which has a sink, soap dispenser, hand towels and 2 urinals as well as one cubicle.

We have one ladies toilet which has a sink, soap dispenser and hand towels.

We try to keep our toilets clean, fresh and well supplied. We ask you report any unsatisfactory conditions to the Booking Clerk.

The toilets are all accessible from both the Front Hall and Main Hall via two separate doors, one in each space.
