Solva Memorial Hall

Let's keep the hall top notch for the whole of the community.

April has been busy time in the Hall and it has been pleasing to see lots of activity in recent weeks. Luncheon club, the Cinema, coffee morning, the library and physical activity classes are bringing life back to the centre of our community in its centenary year.

On Saturday April 9th we were pleased to welcome back to the Hall, Kepow Theatre and a 70 strong audience. This improvisation act relies heavily on audience participation which is always readily available in Solva and is one of the reasons the actors always enjoy coming to the village. The Night Out scheme is part of the Rural Touring initiative which enables small towns and villages to have productions by professional actors but underwritten by the Welsh Arts Council in order to keep ticket prices at a reasonable level. On April 14th the Hall was a riot of yellow when the Solva Craft Group set up a stall with eggs, chickens, daffodils and many other knitted items especially for the Easter Coffee Morning. Myra's ever popular traditional Easter Simnel Cake was raffled along with many other prizes, the Siop Solfach stall attracted those looking for unusual items and all who attended, including visitors, enjoyed the usual tea, coffee, biscuits and cakes.

A big thank you to all participants and helpers for continuing to support Hall activities and continuing the tradition of the last hundred years in Solva.

Vacancy

A cleaner is required to look after the Hall. 4 hrs per week at £9.50/hr.

Notice of AGM

The Solva Community Council AGM will be held on Wednesday 11th May 2022 commencing at 6pm in Solva Community Clubhouse. Members of the public are warmly invited to attend. The agenda is available at:

Solva Community Council website / Bruce Payne, Clerk to the Council,
brucepayne241@gmail.com 07890 987259

Vote, Vote, Vote!

May 5 is nearly upon us and it is time to think hard about who you want to represent you at Pembrokeshire County Council and Solva Community Council. The contest for County Councillor is straightforward with Josh Phillips up against the incumbent Mark Carter. The situation at Community Council level is much more complicated with 15 people standing to fill eight posts. Please see flyer for details on those standing.

The community should welcome such a hotly contested election as it is indicative of how alive and well our democracy is. This will be an opportunity to bring in new blood with fresh ideas, all organisations need refreshing after five years, and the community council is no exception. There are a number of ongoing projects which will be taken over by the new council; the multi-generational footpath; the re-thinking of how we organise our play areas; the management of parc y capel. There are also the ongoing committees who deliberate on local planning matters and generally keep the village well maintained and moving forward. The energy crisis is also a big issue for us as we look to meet our carbon reduction agenda.

Let's think about, so let's appoint a Council that is up to the challenge!

Clwb Solfach/Solva Luncheon Club

As ever, this is held in the Memorial Hall on Wednesdays at 12.30pm.

We would welcome more participants! Just contact Jane Pascoe 01437 721544 so that we know to cater for you!

Solva Care Survey

We will be calling round with our third survey soon. We hope you will fill in the bits that apply to you and return it. We need to catch up after Covid and find out what has changed. What more needs to be done? What else can we do for ourselves. Currently, our volunteers provide social care and those who need domiciliary care get it from an agency via the County Council or privately, if they can. We are thinking about setting up our own Domiciliary Care Agency, to provide a fully integrated service to those in need- what do you think? Would it be a good idea?

We work together as a community- Solva Care, the Community Council, all the social and business groups, helping each other, doing what we can to make life better for everyone. Please fill in your survey and return it – it won't take long. Our two previous surveys had an 85% return- lets go for 90% this time! - *Mollie Roach Project Lead.*

SOLVA WI

Our member numbers fluctuate & we would happily welcome more ladies to join us, particularly as we are starting a new membership year. Please come along to an initial meeting or 2! (free of charge).

At our next meeting on May 19th at 2pm in the Memorial Hall we will be hosting a favourite speaker of ours – Sheena Crossley whose talks on a Garden Theme are always very enjoyable.

We are hoping to hold a Garden Party on Parc y Capel on 14th July to which all local ladies are invited.

Following the Business at our April meeting we will participate in Indoor Curling which always provides some fun!

The Book Group will meet on 22nd April & it is hoped to organise the next Walk for 25th April.

Mosaics

Solva Care is running a 3rd mosaics project this year, in cooperation with Solva Community Council, to be installed in Parc y Capel. The idea is to commemorate, in images, people who have passed away in the last couple of years. If you have someone you would like to commemorate, please contact Lena on 07805 717556 or contact@solvacare.co.uk and let us know what image you associate with that person (could be a flower, butterfly, boat etc). Date, time and venue for the mosaics classes to follow.

St David's Eisteddfod Exhibition 2022

This year's St David's Eisteddfod had to be cancelled due to Covid restrictions, and it was decided to hold an Exhibition of many items submitted for competitions since the first Eisteddfod, held in 2010. The Exhibition was held at The City Hall, St David's on 28 February and 1 March 2022.

Many previous competitors brought items, including photographs, paintings, embroidery, collage, knitting, crochet, woodwork, models, greeting cards, and decorated eggs and pebbles. Freshly baked cookery items and jams were also brought along to show the range of items submitted in those classes.

Knitted dolls dressed in Welsh costumes depicting the designs from various Welsh counties were on display, along with items from the literary competitions, examples of the small wooden chairs presented to the winners of the most points in the Eisteddfod, and photographs of Eisteddfod days.

Visitors to the Hall enjoyed viewing the items and they appreciated the work and skill of the competitors that had produced the items. A number of competitors at the Eisteddfod live in Solva and members of the Solva Craft Group always do well in the craft competitions.

The date for the next St David's Eisteddfod is Tuesday, 28 February 2023. The 2023 programme will be as planned for 2022 and the theme is 'Holidays'. It will be available from the Committee and various retail outlets. Further details are available from Glenys James, the Eisteddfod Co-ordinator, on 01437 720447

If there are any queries, I can be contacted by email and on 01437 721167 or 07851 868794

Dewisland People's Shed

The Scout Hut, Ffynon Wen, St Davids

Every Tuesday, 10am to 12 midday

Men's sheds were originally founded in 2013 in response to a need for a central body to represent and raise awareness of a small, but growing number of Men's Sheds. Back then there were just 30 Men's Sheds in the UK. In 2015 we became a registered charity with a view to providing more formal support to the Men's Shed movement. Fast forward to today and there are over 600 all inclusive Peoples's Sheds open and an additional 150 or more in planning at any one time. That's around 13,000 or more Sheddors, as we call them, benefiting from regular social interactions, new and improved skills, and regular, active participation in activities they enjoy.

The rate of growth of People's Sheds is between six and nine a month. People are starting to enjoy our wood and metal work shop. Come and join in the fun --- or just drop in for a sit down with tea or coffee and a look at things. Anyone from Solva is welcome to join. We have many tools that you may only want to use once in a blue moon and don't justify buying but with expert advice you can use them at the peoples's shed.

Of course , as you probably know, the Scout Hut was built by our community years ago by public subscription. Many people "bought" bricks to contribute to the fund-raising. Let's get the hut/shed going again. It is a community centre in itself, just right for children's parties , play groups, art clubs ,and so on.

Come and join the volunteers, who are helping to resurrect it, or just come and enjoy it!

Easter Blessings

After the long pandemic closure, our churches were able to open again for Easter. Thank you to everyone for the floral contributions, the colour and perfume of which brought alive the Easter message of hope.

Team Llanungar Fawr, Hannah, Olivia, George, their cousin and a friend, deserve a special mention for their help at Whitchurch. They brushed the floors, washed all the seats, built an Easter Garden and prepared the Stations of the Cross for the Good Friday Service.

The transformation was completed on Saturday when other friends polished and added the glowing flower displays.

Thank you.

Câr-Y-Môr News

In March, we received confirmation from NRW that we have a marine licence for a 3ha farm in Ramsey Sound. This spring, we will start putting in place the anchors and lines for our new farm. On the new site, we will be growing sugar kelp, oarweed, native oysters, scallops, and mussels. From putting in this new farm, not only will we be producing good quality, local seafood, enhancing the local environment, but it will also create new jobs in the process. Seafood processors will be needed, as well as a farm manager. Keep an eye out for vacancies!

For The Love of The Sea – a celebration evening of food and drink made using local produce.

Old Farmhouse Brewery and Câr-Y-Môr are proudly launching their seaweed beer called Cwrw Kelp Beer. There will be an opportunity look around the brewery, see how the beer is made, and talk to both Old Farmhouse Brewery and Câr-Y-Môr about this exciting collaborative project.

The evening includes delicious seafood dishes, using Câr-Y-Môr seaweed, cooked by a local chef, Colin Lewis – this is an opportunity to taste the seaweed products we produce and sample the beers made locally by Old Farmhouse Brewery - all made right here in Pembrokeshire.

Coast Allotment Project

Born from the lack of allotment spaces in Solva, I decided to offer up the parcel of land I rent to be used as community garden. Along with friends and other residents we formed a Management committee and created COAST - Community Organised Allotments for Solva Tenants. The aim is to provide a space for growing, teaching & wildlife in a carbon friendly way.

We're creating up to a dozen micro plots that will be available on an annual basis, a wildlife garden with recreational seating & a community shed that will be available for groups to use as a workshop space, come lending library for gardening books and as a place to shelter when the weather's not great! with Solar panels for light and rain water collection system.

There will also be a plot given up for the local primary school which will be where we can teach the younger generations on the importance of sustainability and how we can help the environment with our actions working alongside Non, Aiden & Dewi Campuses. Lastly a community compost area that will be open for all residents to deposit green waste and collect compost. We secured funding from The National Lottery Community Fund, Solva Care, Tesco Haverfordwest (Blue tokens) and The sustainable development fund part of Pembrokeshire Coast National Park Authority all of whom saw our vision and thought it was a fantastic community benefiting idea. Without this funding we wouldn't be able to do this project, it also means we don't need additional funds from Solva community council or Pembrokeshire County council. We hope once completed the site will be self sustaining and as its off grid carbon friendly as well. We've got 200+ trees ready to plant across Solva in November and by then we're hoping the site will be completed and ready to welcome visitors. Unfortunately due to issues that were created as a result of COVID and beyond our control we are behind schedule, thankfully though things are moving and mid October 2022 is our target end date. The site is fully insured and we are now actively seeking volunteers to help with the transformation, if you'd like to help drop us an email at coastsolva@gmail.com or message our Facebook page. We're also happy to accept donations of old tools, gardening books etc as well. We hope once completed, other villages across Pembrokeshire see what can be achieved on a small scale and replicate our project by enhancing Pembrokeshire one village at a time.

Please pass on our thanks to all players of the National Lottery

Shalom House

Day Centre

In addition to the day centre, we have supported individuals and their loved ones to have their care needs met in their local communities homes. Without this service they may have had to be admitted into hospital, in the current climate that was a scary thought for many. This home service has been a lifeline for everyone and their loved ones, as our support continues after the passing, we also supported families and friends with their bereavement needs.

Events:

We are looking at running a quiz every other month to raise money for Shalom House. We would like to run every alternative quiz in Solva. The Ship Inn have generously agreed for us to use their private room. We will also create and host quizzes for your events, all we ask for is a kind donation.

We want to hold a small tea party for the Queens Jubilee. We will sell cakes and scones and have a couple of tables at the front of Shalom where you can sit and enjoy. During the afternoon one of our team members intends to have a sponsored head shave for Shalom. There will be links on our Facebook page to sponsor her and sponsorship forms in the shops in St Davids and Fishguard.

Volunteering:

We are always looking for volunteers. If you have a few hours to spare each week and would like to support a local charity please get in contact. please email samwilsoncroft@shalomstdavids.org or call 01437 721344.

We would appreciate any local businesses support, you could do this by simply having a donation box by your till etc for any passing donations. If you would like to support us by having one of our donation boxes in your shop, café or local business please email samwilsoncroft@shalomstdavids.org or call 01437 721344 – we can drop off and collect.

Counselling

As always, Shalom House Bereavement Counsellor services are open to anyone who is struggling, not only with Bereavement but also with any concerns that have been exacerbated by Covid 19. This is a free service being offered to again support our local community during these challenging times. It is an easy and straightforward referral process, which can come from your GP, Nurse, any concerned party (with your consent) or directly from yourself.

If you wish to access this free service, please email info@shalomstdavids.org or telephone within office hours on 01437 721344 all we need is a very brief outline of your details and we will be in touch very soon after.

Both of our charity shops are open so please come along and support us, all donations are gratefully received as always but with this last year – every penny counts! We hope that you think of your local cancer charity – we need your kind donations to keep helping those who need our support.
