County Councillor update

As one of the 60 County Councillors the major topic of discussion in County Hall is how PCC can set a balanced budget for 2023-24. Currently we require £260m to provide services in their current format. 70% of that is spent on Education and Social care . We have a projected income that is £26m less than that i.e. a deficit. This allows for pay increases across the board for Council employees

The Council raises money in 3 ways, by charging Council Tax, by charging for certain services and by receiving a grant from the Welsh Government. An assumption has been made how much we are likely to receive from the Welsh Government and used in the £26m deficit calculation. Just assuming that the Council were to raise by 5% on April 23 that will give approx £3.5 m but this is only as assumption so the challenge is on to identify about £22.5m of savings . Ideally these savings would be made with minimum impact on the public but with reductions that have previously been made it is becoming increasingly hard to identify savings that cannot be seen. As more information is publicly available, I will of course keep residents informed , but in my view any rise in Council Tax should be kept to an absolute minimum as families are already suffering from a massive increase in the cost of living

Secondly , you may be aware that most 30mph speed limits will become 20mph by default from September 2023. The draft proposals have been released and on the maps it shows that the Solva village area that is now 30mph will convert to 20mph from September. If anyone has concerns about this, they should contact me to discuss the matter

Finally if any resident is paying separate Council tax for an annexe on their property new guidelines were recently approved by the PCC Cabinet that may offer a saving on the premium. Please contact me for any assistance on 07976 553912

Best regards Cllr Mark Carter

Together For Change

Solva Care's Together for Change Programme hosted a visit by the Hywel Dda Health Board to hear presentations, on 20th October, in Solva Memorial Hall, on the strategy of the Board on prevention. About 70 people from the Peninsula and beyond attended the meeting which was followed by discussions on the plans of the Board for secondary care and community wellbeing and concerns regarding waiting times. Judith Hardisty, Deputy Chair of the Board explained that there are multiple reasons for the challenges facing the NHS in our region which the Health Board is trying to tackle. Those that came appreciated that Board members came to talk face to face with our communities and would welcome further interaction.

A BIG THANK YOU to everyone who has supported the Cinema this year and to those of you who attended our AGM last month.

Every screening costs about £150 (license, hall hire, blu ray DVD and heating). So we need an audience of about 35 every month just to break even. It has been suggested that we create a Supporters of Solva Cinema scheme to make sure we can keep the cinema going. People could donate an amount /year via standing order – it could be anything from £5. Contact Lena if you would be interested in this.

Best wishes for Christmas and the New Year from the Committee!

Solva Fireworks Display 2022

Thank you! On Friday 4th November Solva Community Council put on a spectacular firework display set against a wonderful coastal backdrop.

We'd like to say a big thank you to all those who supported this year's display. The contribution from the fireworks team, stewards, St John Ambulance Cymru, our Master of Ceremonies, Pembrokeshire Sounds and the bucket collectors was very much appreciated. The display could not have taken place without them.

Finally, Solva Community Council would like to say a big thank you to the community, our local businesses and to all those who attended from Solva, the St Davids peninsula and other parts of Pembrokeshire. Your generous donations collected on the night will help support the 2023 event.

We look forward to seeing everyone at next year's amazing display.

Memorial Hall 100 year Anniversary

The weekend of the 12th/13th November was important for the Memorial Hall. We marked the Centenary of the opening of the Hall with a dance to the music of Sorted. It is safe to say that a good time was had by all. A memorable evening. Definitely to be repeated but we won't wait another hundred years!! The excellent Exhibition was available from 12th -18th November and was visited and enjoyed by many residents and friends of the village. There were reminders of the last hundred years in photographs, stories, minutes, memories, stage shows, school shows etc etc. The same problems crop up... repairs needed, cost of heating and so on and we are still looking for a new Caretaker just as they were in the 1930s. It seems that not much really changes. On Sunday morning in beautiful sunshine many people were at the War Memorial on the hill for the laying of wreaths and a short service attended by Soldiers from the 14th Signals Regiment, Brawdy. A memorable weekend for the village.

Câr-Y-Môr News

You might have seen us out and about quite frequently over the past couple of weeks (when the weather has permitted it of course). We have been planting our new seeded lines on our 3ha farm in the Ramsey Sound. Over the next few months, sugar kelp will be growing in abundance (fingers crossed!). Wild seeding will also occur so we expect to see a number of other seaweeds along with a huge range of biodiversity. If you are ever interested in what we're growing and the different marine life that we're seeing in the sound then please get in contact. Our seaweed from our last growth has started going into some very exciting new products so keep your eyes peeled over the upcoming weeks, who needs to do their Christmas shopping early anyway? We also have 50% off our fertiliser and 15% off fresh frozen crab, you can say thank you later!

Shalom House

Shalom House Day Centre

In addition to offering the day centre, we have been able to support individuals and their loved ones to have their care and needs met within their local communities and own homes. Without this service individuals may have had to be admitted into hospital and in the current climate that was a scary thought for many. This home service has been a lifeline for everyone and their loved ones, and as our support continues after the passing, we also have been supporting families and friends with their bereavement needs.

Shalom House News

Our yearly Christmas Raffle has been launched. We have some amazing prizes including a night at Twr y Felin Hotel, a beautiful throw from Melin Tregwent and tickets for Falcon Boats, Folly Farm, Heatherton and so much more.

Counselling Services:

As always, Shalom House Bereavement Counsellor services are open to anyone who is struggling, not only with Bereavement but also with any concerns that have been exacerbated by Covid 19. This is a free service being offered to again support our local community during these challenging times. It is an easy and straightforward referral process, which can come from your GP, Nurse, any concerned party (with your consent) or directly from yourself. If you wish to access this free service, please email info@shalomstdavids.org or telephone within office hours on 01437 721344 all we need is a very brief outline of your details and we will be in touch very soon after.

Solva Surgery

GP & Staff Training – On Tuesday 13th December there will be staff training from 4.30pm – 6.30pm. Entrance to the surgery will be restricted but telephone lines will remain open, for anything urgent please ring 01437 721306. Patients are asked to collect their repeat medication beforehand or the following day as we will not be able to dispense medication during this time.

GP & Practice Nurse Appointments – Due to staff sickness and annual leave, we will have limited availability for both Doctor and Practice Nurse appointments over the next six weeks. Please continue to use your local Pharmacist who can provide free confidential advice and treatment without you having to make an appointment to see your GP.

Patient NHS Survey – There is still time to complete a patient survey. Paper copies are available from the Surgery, or you can visit the Solva Surgery website or Facebook page where there is a link. The survey is anonymous. The questions are based on the things that patients have said matter the most.

Flu Clinics – We still have appointments available, get your flu jab while stocks last! Please don't wait to be called for your flu vaccination, please ring the surgery to book your appointment.

Repeat Prescription requests – I'm afraid we are unable to dispense repeat prescriptions the same day they are requested. Please can all patients order their repeat prescription when they have at least 7 days supply remaining. We need this amount of notice so that a prescription can be generated, the GP then has to sign it and then it gets processed by the Dispensing team, who then have to order from our Wholesalers. Ordering in this way allows both the Surgery and Well Pharmacy in St Davids to work more effectively and this will be to the benefit of all patients.

Christmas Opening Hours – Please note that there will always be a Doctor on Call when the Surgery is closed. If you need to see a doctor urgently, please telephone NHS 111. In an emergency, please ring 999 or attend your local A&E. Please make sure you have enough medication to cover you over the Christmas period. Thank you.

Ysgol Penrhyn Dewi Aidan Campus

The boys and girls on Aidan campus have had an extremely busy few weeks where they have been learning about shapes, money, number, Joseph and our sounds and letters.

We had a very exciting week prior to half term where the children learnt all about Diwali. The children made their very own Diya lamps, Rangoli Calendars and Diwali sweets which they then sold at their very own market stall. We made £78 and hope to spend the money on getting our very own class pet.

We still love going out and about within the community every Thursday morning and we recently created our very own Solva Shwmae trail. Come and give it a go, copies of our map are in Bay View Stores.

Last week we learnt about the life of an Evacuee called Gracie and walked down to the Cenotaph in Solva to lay down our poppy wreath we created. We learnt a special poem all about poppies and said a prayer for the soldiers.

Shaolin Qigong for Longevity

A new, introductory 8 week course is starting on 11th January 2023 at Solva Memorial Hall; Wednesdays 6-7pm

Qi = "energy" Gong = "work" or "practice"

This unique and ancient Chinese exercise system helps to maintain a healthy and active lifestyle. It balances and cultivates our natural healing resources by enhancing the process of delivering oxygen and "Qi" to the cells.

Through individual effort and practice we can learn to let the body be its own doctor. In addition to cultivating physical health, Qigong also helps with mental clarity. Whether you want to be calmer during your day or have less mental exhaustion, this ancient practice can help bring balance back to your life, allowing you to get back on track and find happiness.
